EXPERIENCING LIFE

We provide opportunities for students to broaden their personal scope, make connections, explore their world, and celebrate diversity.

BEING WELL FOR LIFE

We take a 'whole student' approach to helping students be healthy and well, and facilitate lessons that last a lifetime.

LIVING LIFE

We're here to make sure all students get the most from their collegiate experience, especially while they are out of the classroom. Ohio State is a big place with many options for housing, dining, and other daily activities.
