

STUDENT LIFE STRATEGIC GOALS:

Our Commitment to Student Success and Development at Ohio State

OFFICE OF
STUDENT LIFE

Enhance learning environments

- Provide programs, facilities, and partnerships that promote seamless and comprehensive learning experiences
- Collaborate with Academic Affairs to assess and measure outcomes of curricular and co-curricular intersections
- Maintain effective, innovative and creative technology support services for students
- Extend the commitments of caring and support to regional campus learning environments

Provide support for transformational student experiences

- Facilitate transitions into and through the academic progression from enrollment through graduation and early career steps
- Provide opportunities for students to interact, both formally and informally, that create unique and memorable experiences; encourage students to take advantage of the vast opportunities that only Ohio State can offer
- Remove barriers that impede student success; support student safety and wellness, physical and mental health; provide assistance for those with ability challenges
- Integrate leadership, service, civic responsibility, and global awareness into the overall student experience
- Challenge students to reduce high-risk behaviors that impede their academic and personal progress
- Build community, promote and advance tradition, and encourage students' lifelong connection to the university

Promote positive climates of diversity

- Expand beyond a climate of civility to a community of respect, understanding and appreciation of others
- Use living-learning environments to create experiences that embrace diversity
- Reduce barriers to inclusion and full participation in the life of the university

Reinforce resource stewardship

- Manage fiscal resources efficiently and in compliance with regulations
- Demonstrate responsible resource allocation
- Market, promote, and fund services and programs that support Student Life's fundamental goals
- Promote sustainability and energy management

Strengthen staff development and culture

- Develop and implement a comprehensive talent acquisition and staff development program
- Maximize programs that support an effective and diverse work environment
- Engage staff in providing student employees with opportunities that enhance their learning and development
